Trinity Church, Swarthmore, will celebrate a service of Choral Evensong for the season of Advent on Sunday, December 18 at 7:00. The service will begin with a 30 minute organ recital played by Curtis faculty member Matthew Glandorf and organist of the Church of the Good Shepherd in Rosemont, whose program will consist of his own improvisations on themes of Advent chants and hymns. The recital is to celebrate work done in recent years to the organ at Trinity.

The service itself will include Gregorian Chant, Stanford's Evening Service in G as well as motets by Howells and Biebl sung by the choir of Trinity Church under the direction of James Smith. Please join us for the recital followed by a beautiful service of readings, prayer and music. All are also invited to a reception following the service. More information can be found at trinity-swarthmore.org.
